Remembering our Patron
Her Majesty Queen Elizabeth II
21 April 1926 - 8 September 2022

IN MEMORIUM

Her Majesty, Queen Elizabeth II

April 1926 - September 2022

This issue was originally designed to celebrate Queen Elizabeth II's Platinum Jubilee.

Despite recent events overtaking publication, we decided to retain these stories in celebration of our Queen's great service and in memory of her Girlguiding life, first as a Guide then as a Sea Ranger, and later as Patron of Girlguiding.

We hope that you enjoy reading about the many special events held to honour the Queen across Hertfordshire, as well as the more poignant activities undertaken after her passing. At all times, we respectfully remember the very special role that Queen Elizabeth II held in Girlguiding.

A single flower, decorated by each Rainbow, was collated into a paper bouquet in memory of Queen Elizabeth II. It was laid at the local church along with the other floral tributes.

Borehamwood Guides at Trooping of the Colour

On Thursday 2 June, Jenny Maskrey, County Commissioner and Sally Settle, Assistant County Commissioner were invited to take five young members to the Trooping of the Colour to celebrate Her Majesty's Platinum Jubilee.

Normally the head office of the youth organisations held a draw for tickets, but this time Girlguiding Hertfordshire were specifically invited by Chief Inspector Matt Jenkins, who was in charge of the event.

Jenny has been working with Matt and the lead volunteer for each of the uniformed youth groups in Hertfordshire under the leadership of The Lord

Lieutenant Robert Voss CBE. The group, collectively known as Hertfordshire Youth United, are working closely together on a number of initiatives to bring the uniformed volunteer youth sector in the county together.

The day was a wonderful experience for Emma, Tillie, Tess, Hannah and Emily who loved seeing the Royal family up close, watching the spectacular fly past and being part of the amazing atmosphere. Emma describes it as *"an amazing day, representing Rangers and watching history happen. Great memories made"*, Tillie, the Brownie in the group, said *"It was great seeing the Queen and the royals. What a memorable day!"*

TROOPING OF THE COLOUR

On Thursday 2 June, 4th Borehamwood Guides and Brownies and the 20th Finchley Scout Group, selected by the Ceremonial Team of the Metropolitan Police Service, attended Her Majesty's Platinum Jubilee Birthday Parade – The Trooping of the Colour.

This was truly a once in a lifetime experience for both the Scout Group AND the Brownies and Guides as we're all based in and sponsored by Borehamwood & Elstree and Woodside Park United Synagogues, as the Birthday Parade is usually held on a Saturday, the Jewish Sabbath.

Martin, who graciously serves as our registered unit helper, and I groggily surfaced at 6am, ready to meet the Guides and parent helpers at High Barnet Underground Station.

We boarded the first train and were very surprised when we saw the southbound platform of Woodside Park station was full of Cub Scouts, Leaders and Scouts from 20th Finchley Scout Group, which meant we could travel together!

When we arrived at Charing Cross we were faced with a flight of stairs and an escalator in order to get as far as the ticket hall and the 20th Finchley Scout Leaders very kindly helped unit helper Martin to get my wheelchair up to the ticket Hall.

We liaised with our police escort at Admiralty Arch and proceeded to what the Met charmingly called the 'youth pen' on Horse Guards Road. Once our credentials were confirmed, we walked to Horse Guards, escorted by a detachment of Police Cadets and entered the youth pen. The enclosure was

cordoned off opposite the building known as The Citadel, but at an angle so we could see the whole of the Horse Guards parade ground.

At exactly 10am, the Welsh Guards band came past followed quite quickly by their comrades from the Scots, Coldstream and Grenadier Guard bands and then the King's Tripp, Royal Horse Artillery surprised us by trotting past us twice

with their immaculate cannons, horses and uniforms, before settling in their waiting spot. Then the Household Cavalry's mounted band came past us, their golden jackets gleaming in the early summer sun, followed by the Life Guards and Blues & Royals. The Foot Guards all entered the parade ground and we were ready for the Royal Family to arrive.

It was so exciting seeing the Queen at Buckingham Palace. I had to wake up at 5.30am in the morning to get there on time – it was really, really early!

I loved marching down Pall Mall and waving to the crowds! At the Palace me and my fellow Brownies got to stand really close to the balcony and I was able to wave to Princess Charlotte.

The whole day was awesome and I was so happy to be there.

Aviva-Nobel (Age 8)

We were on the train by 7am and I was really excited...it was funny to be on the Jubilee Line for the Platinum Jubilee.

The smell of horse poo was a bit annoying but we felt proud that we made history. The crowd roared like lions as we passed by.

It was a day I will never forget.

Isabelle aged 9

Once the parade was over, the Royal Colonels on horseback and the Foot Guards had passed us on their way back to Buckingham Palace, we 'fell in' on Horse Guards Road to march up the Mall ourselves and lead the members of the public up towards the Palace.

As we approached the Victoria Memorial, the youth contingent were the only people allowed to approach the open Palace gates, which were being guarded by 4 police officers and their beautiful horses. It meant that the girls had a fantastic view of all of The Royal Family.

Thursday 2 June was a very special day. Not only was it my 9th birthday but my Brownie unit had been selected to go and see 'Trooping of the Colour' and line up along The Mall with all the other groups of young people that had also been pulled out of the ballot.

First, we saw the soldiers' bands marching into Horse Guards Parade. Next, we saw Camilla, Prince George, Prince Louis and Princess Charlotte in carriages pulled by horses with giant wheels. After that, we saw even more horses going in to the Parade but, this time, three of these horses were very special because one of them had Prince Charles on, one of them had Prince William on and one of them had Princess Anne on. Once the horses all got to the Parade, we saw another lot of soldiers arriving and some of them were marching and playing music at the same time.

Zoe aged 9

Then we heard a rumbling in the sky and the RAF flypast came right over us, starting with helicopters, then the Battle of Britain Memorial Flight and continuing right up to the modern Royal Air Force's fixed wing aircraft. A squadron of Typhoon fighters formed the number "70" in the sky too! The flypast ended with the RAF Red Arrows.

Then the excitements really were over, so we were guided by the police down Birdcage Walk, well away from the crush on the Mall, and back to Horse Guards Road.

Penelope Polins Leader

I had an incredible experience at Horse Guards Parade, watching the horses and listening to the music was so much fun. Then we walked down to Buckingham Palace. The only things that were between us and The Queen were horses and a gate.

19th St Albans Brownies

19th St Albans Brownies were out and about in Bernards Heath on 24 May, on a mission to clean up the area ahead of the Queen's Platinum Jubilee weekend.

The girls were pleased with their efforts after collecting 7 bin bags of rubbish, including lots of bottles and plastic wrappers, a toothbrush and even a pair of Calvin Klein pants! Although the Brownies were sad about how much rubbish they found scattered across the area, they were delighted they were able to make a positive impact in their local community.

Catherine (7) said

"Why do people think it's ok to drop their rubbish on the floor?"

while Hannah (9) added

"I can't believe how much rubbish we've collected!"

1st Wormley Scouts and Guides

To celebrate the Queen's Platinum Jubilee, families from 1st Wormley Scout and Guide Group got together for a family event.

Some families camped whilst others attended on one or both of the days at Wormley HQ. Attendees of all ages enjoyed sunshine and showers, LOTS of crafts, games, campfires, a Jubilee Challenge, inflatables and crazy bikes. We also presented four Rainbows with their Challenge badges.

The event culminated in an afternoon tea for all as well as some VIP guests, neighbours, old friends of the groups, new friends and a Deputy Lieutenant of Hertfordshire, Karen Trew. Mrs Trew kindly dedicated the two Queen's Green Canopy trees (silver birches) which we planted – one for Scouting and one for Guiding. We look forward to them growing over the next few years.

Lots of cakes, sandwiches and tea were consumed and a great time was had by all!

Heronswood District

A fun afternoon out was had by all in the Welwyn Garden City (Heronswood) district when celebrating the Queen's Platinum Jubilee.

We hired a bouncy castle slide, made bunting squares, played parachute games, and enjoyed maypole dancing and games such as giant jenga, pin the crown on the Queen and a scavenger hunt.

All this was followed by a street party picnic and a visit from the local ice-cream van – a much welcome relief in the glorious sunshine!

We finished the event with campfire style singing and the national anthem. It was fabulous to be together again and for the girls to see they belong to a district beyond their unit meetings.

Running for Ukraine

Nine-year-old Anna, a member of 7th Chorleywood Brownies, challenged herself to run 10km in support of the Ukraine Humanitarian Appeal. She completed her 10km run on Sunday 20 March, and has raised an amazing £5,675.

Anna's inspiration came from two other Brownies and a Guide (Mia, Gigi and Maggie) who decided to run 5km – the girls were all living out part of their Guiding Promise 'to do my best, to serve my community and to help other people'

Anna said *"I wanted to support my aunts and cousins in Ukraine. Mum was really sad as her home town was one of the first to be bombed. We didn't know what to do. Then my mum heard of Mia, Gigi and Maggie's charity run on the Brownie WhatsApp group, and we thought we would do it too."*

Tanya (Anna's mum) said *"We thought that raising money for ActionAid was perfect as all my sisters and their family had been displaced following the bombings. They didn't want to leave Ukraine as their husbands, fathers and sons are still there. I am very proud of Anna and the other Brownies, who were a big part of Anna's decision to run."*

Anna concluded *"I enjoyed the run as many of my friends were with me and my mum also ran. It was great fun but after the run I was very tired and lay on the sofa."*

Candles for Ukraine

With the war in Ukraine on our minds, the 7th Oxhey (Methodist) Guides wanted to show solidarity with our Guiding/Scouting brothers and sisters in Ukraine and the surrounding areas.

We all brought in loose change and lit a candle to share our Guiding love and peace. We raised £30 for the WAGGGS Appeal and we hope it helped in a small way.

Trefoil Thinking Day

Bushey Trefoil celebrated World Thinking Day by joining with friends from Rickmansworth Guild to complete the WAGGGS 2022 Thinking Day Challenge, 'Our world, our equal future'.

Our activities included a quiz on single use plastics, a game about saving honey bees, and planting primroses in recycled plastic bottles. We finished the evening by lighting tea lights on a world map to remember our international Guiding friends. We also made a collection to send in support of WAGGGS.

Brownie Camp!

1st Grovehill Brownies and 2nd Gadebridge Brownies went camping back in May at Gaddesden Row Guide Centre, on the outskirts of Hemel Hempstead.

The Brownies were very excited about camping upon their arrival on the Friday evening and that carried on through, even when pitching tents! They also enjoyed playing a game of Sardines and making signs for their Sixes to sit alongside their tents. It wasn't long before it was time to settle down for bed – the first time staying in a tent for some Brownies...

We began Saturday with cooking a full English breakfast on the fire – sausages, bacon, eggs and beans, all cooked on an altar fire. Not only did they enjoy cooking their breakfast, some even relished in washing up afterwards. They were taught

how to make a washing up stand using wood and rope, planted sunflower seeds and made bird feeders from oranges. In the afternoon we ventured on a short walk to the nearby woods – we began with some parachute games and then started the scavenger hunt, looking for clues dotted around the woodland.

Having enjoyed cooking breakfast, the Brownies got involved in making chilli for dinner (again on the fire).

To end the day, we had a campfire – we made s'mores and sang lots of campfire songs. With a few sleepy Brownies sat around the campfire it was time for bed but before that we did a spot of stargazing (thanks to a very clear sky).

On the last day of camp we started by making pancakes for breakfast. Soon though it was time to start packing down from what had been a fun camp for the Brownies and leaders. We all worked together to strike camp, including putting down the tents. We also made postcards to send to Ukraine on the last day and had another chance to play with the parachute. Before it was time to go home we awarded some badges and reflected on what we'd enjoyed the most.

The Brownies had a wonderful time and wanted to stay for another 1 year... Thanks to Louise, Karen and Claire who all helped to make the camp happen!

JEAN HOWELL GOLF DAY

On Monday 30 May, 24 Guides and Rangers and 2 leaders from around Hertfordshire were invited back to Porters Park Golf Club, Shenley Hill, Radlett to benefit from the remaining legacy left by the late Jean Howell, who wished to introduce more young girls into the sport. Club members volunteered their time to work alongside the Club's golf professionals to give the girls a fantastic introduction into the sport. Porters Park hosted a further event in June for 120 young members as Girlguiding continues to work alongside Hertfordshire Golf and England Golf to create a Challenge badge for the girls.

"It was my daughter's first opportunity to play some golf and she had a very positive experience. Much thanks to yourself, other leaders and the golf coaches who enabled the day to happen and be a success – Jean Howell would be delighted."

"Thanks to you, Porters Park and Girlguiding for arranging and facilitating today's golf experience! Aside from soggy feet both girls have really enjoyed the day and Charlotte has asked for golf lessons!"

Thanks to our wonderful leaders who give the girls so many fantastic opportunities both in, and outside of the weekly unit meetings.

The Great Patrol Hunt

115 Guides took part in the final event of the annual Great Patrol Hunt held in June, a residential event held at the wonderful Wymondley Wood.

Congratulations to the Anonymii patrol from 11th Hitchin Guides who won this year's competition after winning marks for team work, presentation, effort, etiquette, good deeds and achievement.

This year's residential asked the Guides to: make woodland green men; learn traditional Morris Dancing; punt along the Cam; compete in a right royal relay (with the queen in attendance!); as well as archery, a campfire and pyrography.

The Great Patrol Hunt is held over 3 rounds: two inexpensive activity days and a camp attended without unit leaders, giving girls an opportunity to make new friends.

- Participants are aged between 10-15 years and an active member of a Guide Unit.
- Teams need not be regular weekly Patrols, but they must choose a unique name for themselves in order to enter. Patrols must consist of 4-6 Guides.
- If you are unable to make a full Patrol in Rounds 1 & 2, then join the 'GPH Mavericks', a patrol made of Guides from different units.

To find out more about entering a patrol or supporting the Great Patrol Hunt as a leader, please contact Nicola Day by email at nicola1.day@hotmail.co.uk. Next year's competition starts on Saturday 15 October 2022.

GIRLGUIDING GOLD AWARDS

Golden Rainbow

After Emi from 7th WGC Rainbows had completed all the Rainbow interest badges, she decided she wanted to complete the Gold award.

Emi was very focused and determined to complete this Gold award. She did a fantastic talk to the rest of the Rainbow unit highlighting some of her most exciting badge works – she thanked us all profusely at the end of this for ‘being such a good audience’, and rewarded us all with a chocolate biscuit! At the end of the meeting, Emi told me she wants to become a Rainbow leader – I have no doubt she will do so in time.

This is the first Gold award for the unit and a remarkable achievement considering Emi started during lockdown.

We were thrilled our award celebrations could take place in person this year, for the first time since the Covid pandemic. The plan had been to hold a garden party outside at our County Centre in Cottered; however, due to the weather on the day, the celebrations were moved indoors, but a great time was still had by all!

Janie Wentworth Stanley, a Deputy Lieutenant of Hertfordshire presented the awards, with our region Deputy Chief Commissioner, Andrea Oughton presenting the 50 and 60 year long service awards to those recipients who were able to attend on the day. Andrea also surprised our County Commissioner, Jenny Maskrey with a Hero Award on behalf of the Region Chief Commissioners Team for being an outstanding County Commissioner and in recognition of her leadership during the pandemic.

Congratulations to our award recipients and thank you for all you do in guiding!

(e.g. 100kb) the quality of the photo will be compromised
when transferring to *Share* Magazine and may not be able to
be used.
- ▶ If sending multiple photos, we would suggest emailing them
separately to avoid them being condensed/made smaller.
- ▶ Most mobile phones try and make photos smaller
when sending by email so they get sent quicker. If prompted
(see illustration opposite from iPhone), please tick the box
that highlights 'Actual Size'. Again, if sending multiple
photos, it may be automatically condensed without giving an
option to send in its actual size so best to send photos individually.
- ▶ If you are a parent sending photos to leaders, please send
these by email rather than WhatsApp. WhatsApp greatly
reduces the size of the photo, usually making it around 40-
70kb in size which is very small.

If you have any queries in relation to submitting photos,
