## How to Register as a Leader in Training

To be registered to become a Leader in Training you must first be on GO, our membership database.

You will need to have set up your logins to GO and the Learning Platform. Links to help for setting these up can be found on the GO login page at https://go.girlguiding.org.uk/SignIn

When you have access to the Learning Platform you will need to complete some prerequisite training before enrolling on the 'Becoming a Leader' course. Having logged into the Learning Platform you should see a screen that looks something like this. What is available to you will depend on your roles.

Click on Leader Development Programme and choose Option 1 or Option 2 depending on your current level of knowledge of Girlguiding.

Option 1 is for those with little or no knowledge, Option 2 is for those who have probably been involved for some time.

Click on the Enrol button.

You now need to work through the tasks until all the boxes and circles are showing as completed, with a tick at the end.

This is the screen for Option 2

Do not complete this if you are currently working through your Leadership Qualification (LQ), only complete if you want to abandon your LQ and start on the new programme.
