

# Cottered Village Photo Trail

This is a short figure of eight trail following pavements, footpaths and grass verges. You need to look out for building names or decorations, gates, weather vanes, benches, etc.

## **Be very careful when crossing the main road and smaller roads**

From the Guide Centre turn left and walk a short distance towards The Bull Pub. Looking across the main road, you will see a footpath to the left of a row of thatched cottages (photo).

## **Take care when crossing the road to reach this footpath. Once in the field beware of the electric fencing.**

Follow the footpath until you reach a footpath junction with 2 kissing gates (shown in photo) and go through the left-hand gate into the playing field. There are 2 photo items to look out for in these fields

Follow the footpath, crossing a small road, and continue in the same direction with the backs of gardens on your left-hand side. Look out for the weathervane and pylon photos.

When you reach a road turn left . Follow the pavement, crossing the crescent looking out for 3 more photo items. When the pavement stops outside the village hall driveway by the playing field, **you must cross the main road at this point.**

Walk back towards The Bull Pub and then walk past the Guide Centre and look out for a pair of gates and the horse cottage sign photos. Continue in the same direction until you reach the 2<sup>nd</sup> road junction on the right which is also signposted 006.

**Cross the main road carefully** and walk onto the grass verge by the Town House with its interesting shield above the door (photo)

Walk along the grass verge until you see the churchyard gate, cross carefully and enter the churchyard – there are 3 photos to spot here – a gargoyle and 2 other items in the churchyard. Leave by the last photo, turn left and walk back on the pavement and grass to the main road. **Cross the main road carefully.** Walk back towards the Guide Centre, looking out for a building called The Old Forge (photo)

### COTTERED VILLAGE PHOTO TRAIL

This is a figure of eight photo trail around Cottered village, using footpaths, pavements and verges. Start the trail from the County Guide Centre. Trail instructions are overleaf. As you follow the trail, look out for the items in the photos.

Extension: Have fun taking your own photo trail along the way, or creating silly poses near each of those shown.

**Be very careful when crossing the main road and smaller roads.**
