## Norfolk coastal walking challenge

**Friday 22 – Sunday 24 September**

This walking event is open to Rangers, young leaders, Inspire members and other adult members. Rangers can come with, or without, their own leaders.

The challenge is to walk 26 miles (a marathon) along the Norfolk coastal path.

You can do it all on the Saturday or spread it over both days. If you don't want to do the challenge, you can simply enjoy a shorter social meander along the coast, then hop on a bus back.

Norfolk beach

Norfolk sunset

Accommodation will be basic; either on roll mats or camp beds in a Guide HQ, or in tents outside, but this, plus minibus transport and all food will be provided for just £50.

Alternatively, you can of course book your own more comfortable option.

On the Sunday, you will be free to complete the challenge, ride on a steam train, wander the shops, or go to the beach etc.

Financial assistance can be given if needed and some kit can be borrowed. Don't let cost be a barrier.

Be quick as places are limited.

**Application deadline 31 July**
