

## Eggstraordinary Easter Challenge Badge

There are sections for Rainbows, Brownies, Guides, Rangers, Leaders and Trefoil Guild

This badge has been designed so that it could easily be completed by girls at home independently over the Easter holidays. It could also be completed virtually in unit meetings or on a virtual sleepover (example plan at the end of this pack).

There are **links to UMAs, skills builders and interest badges** throughout the pack which we have colour-coded to make it easier for you to match them to the right cards or badges.

There are also 2 pages towards the end of the pack where we have linked how the **whole of Take Action Make a Change Stage 2 or 3** could be completed within this Challenge Badge.

There are also website links for further ideas for crafts and recipes. You could use these examples or find your own.

We have created this badge to support our fundraising for Girlguiding via a Discover Adventure Great Wall of China Trek. We were booked on to the Girlguiding Great Wall of China Trek in October 2020 which has been postponed due to coronavirus. Please see the permission to continue fundraising at the end of this pack.

## Badge Order Form

**Cost: £1.30 per badge** (Size of badge = 75mm)

Plus 2<sup>nd</sup> class signed for postage: £3.85 for 26+ badges, £3.30 for 6-25 badges and £1.29 for 1-5 badges.  
Where possible, we will deliver badges to units local to us, rather than posting.

### Rainbows: Cookery Challenge

- Learn how to cook an egg  
e.g. scrambled, boiled, hard boiled, poached, fried, baked
- Make a two-egg omelette, add at least two ingredients of choice  
e.g. cheese, onions, mushrooms, peppers, tomatoes, ham
- Learn to make eggy bread/French Toast
- Bake a cake with at least one egg  
e.g. Victoria sponge cake.
- Make and decorate biscuits in Easter shapes e.g. egg shapes, rabbits heads, whole rabbits and chicks (See the end of the pack for a recipe)
- Make a chocolate rocky road using mini eggs and cream eggs.
- Make pancakes with your choice of toppings (Shrove Tuesday would be a good day to try this)
- Make Easter nest cakes: <https://www.bbcgoodfood.com/recipes/shredded-wheat-nests>

Ask a grown-up from your family to take photographs of you cooking and your bakes. Send evidence to your Rainbow Leader

## Rainbows: Nature Challenge

- With the help of an adult 'blow an egg' and decorate the outside and add a ribbon to make it into a decoration to hang on an Easter tree.
- Make an Easter tree. Collect branches and place in a large vase. Hang homemade Easter decorations from the branches.
- Go for a walk to a nearby wood or park. If you live near the sea go to the beach. (You must comply to current COVID restrictions for activities outside of the home)

Observe the animals, birds and wildlife that you see for 15 minutes

How many different species of birds did you see?

How many animals or insects did you see?

Programme Link (Have Adventures): Clause 2 of the Nature interest badge "Woodland collection" will be completed if you collect leaves whilst on your walk and find out the name of the tree or plant they come from

- Observe wildlife from a window for 15 minutes

## RANGERS, GUIDERS AND TREFOIL

Complete the virtual afternoon tea challenge or the triple challenge or take your pick of activities from the rest of this pack!

### Virtual Afternoon Tea Challenge

Plan and organise a virtual afternoon tea to enjoy either with your unit or with family & friends

- To complete this challenge, you must invite people to the event.
- Create an invitation this can be using social media or 'old school' via paper and post.
- Plan the types of food and drink that you would like to have at our afternoon tea.
- Share these ideas with your guests and see what can work for you.
- Help each other with recipes for the food you all wish to eat.
- Remember to consider food allergies and lifestyle choices with your food choices.
- Make an Easter decoration (Easter tree and or flower arrangement) for the table.
- Consider what you could do while enjoying your afternoon tea, you could choose to include a quiz or scavenger hunt or you may decide just to sit and chat.
- You may decide that everyone must wear a dress or smart clothes, as if they were going to a fancy hotel or that everyone has to wear an Easter bonnet... it is up to you. This must be part of your plan what everyone is going to wear... it could even be full uniform
- Most importantly is to have lots of fun.
- Take photographs throughout the different stages of the event and share with your Guider.

## The Triple Challenge: Complete the 3 challenges below

- **Bakes:** *Make at least two bakes* from the list above or another recipe you've been meaning to try. You should *challenge yourself to make something you have never made before*
- **Crafts:** *Learn a new skill* such as knitting, crocheting, needle felting, embroidery, quilting etc.
  - There are lots of free tutorials, videos or patterns online
  - Crochet:

  - Needle Felting
    - Bunny: <https://crafts.tutsplus.com/tutorials/how-to-make-a-cute-needle-felted-bunny-for-easter--craft-18908>
- **Nature:** Set yourself an outdoor challenge. For example:
  - Get outside to do a set amount of walking or running e.g. walking a set number of steps in a day or week or taking part in cough to 5K
  - Make changes in your garden such as encouraging wildlife by creating a bird feeder or hedgehog home or planting new seeds/bulbs
  - Get involved in Rubbish Walks: <https://rubbishwalks.co.uk/my-plastic-promise/>
    - Go on a walk near to where you live. While out on your walk take a bag for life and collect as much rubbish as you can. On returning home recycle as much of the rubbish as you can.
    - Post on social media this activity or share the above link, most of all please do this activity again and encourage others to do the same.

## **Virtual Sleepover Example Plan**

Adapt to meet your section and unit

Saturday 1-2pm: Meet on Zoom and make Mardi Gras masks together

Off zoom: Younger girls could have colouring worksheets or Easter drawings, Guides + could be challenged to do some Easter origami for example. Otherwise, this could be a time for the girls to plant some seeds or bulbs - which could be provided in an activity pack in advance or parents could be asked to source these beforehand.

Saturday 3-4pm: Easter baking on Zoom together – adapt for your unit e.g. crème egg chicks would be easier to do, up to something challenging like hot cross buns!

Saturday 530-630pm: Meet on Zoom for a Mardi Gras party, wear your facemasks, have dinner and play some games

- You could try a virtual Easter egg hunt with spot the egg on pictures on a slideshow shown via Zoom
- Easter quiz

Sunday 830-930am: Meet on Zoom and make pancakes together – the recipe could be sent out to parents in advance. Girls could choose their own toppings

Sunday 1030-1130am: Make bird feeders on Zoom together

Off zoom: Everyone can do a bird watch with their new feeder or monitor the other wildlife and plants in their garden or local area

Sunday 1-2pm: Meet back on Zoom and compare notes, what did you see?

Finishing the sleepover – this might vary depending when you hold the meeting. If you do this before Shrove Tuesday then people could share if they might be giving something up for Lent. If it is near Easter time, you could talk about the meaning of this time of year for people – some may celebrate Easter as a Christian holiday, some may think of Easter more as the time of Spring and new beginnings.

## Skill Builder Links

We have worked out a way of how the whole of Stage 2 and 3 of Take Action: Make A Change can be achieved with links to the Eggstraordinary Easter Badge. Encourage your unit to do the animal and bird watching part of the Nature sections of this badge, and then they can use this information to support the changes they could or wish to make.

N.B. Underlined text is taken straight from the skill builder card.

### Take action: Make a Change - Stage 2

#### The Great place on Earth!

Being a change-maker is all about making things better: (Link to how the girls can improve their gardens for wildlife and birds) e.g., a simple way to encourage more wildlife would be to provide fresh water for them to drink.

#### Environmental detectives

Take on the role of environmental detective and search your local area (garden / local park) for clues about what needs changing to make the environment healthier (Link to how the girls can improve their gardens for wildlife and birds) e.g., to encourage more wildlife make a bird feeder.

#### How to make a monster

Ready for a monster of a challenge? Tricky tasks are easy with a plan. Try making a plan of your own in this crafty and creative challenge Egg box craft challenge.

#### Changing minds

Do you think the same things as everybody else? It's time to find out. You never know you might end up changing your mind- or somebody else's! Zoom meeting / meeting in person. Use section 1 of the card to start the meeting of and asking the girls their **Opinion**. (key word to this skill builder) A discussion lead by the leader/ adult could then encourage the girls to think about e.g., is it important that we make our gardens and parks places for wildlife to share with adults. It could even go onto a discussion about zoo's and wildlife parks ie who things they are a good place for animals.

#### Impact-o-meter

What can you do to care for and protect the world around you? Make your own impact-o-meter and use it to measure all the positive actions you take. The girls then need to come up with six actions / changes they can make. These can be linked to the above skill builders eg. Water in the garden, re-using packaging to make the monster, making a bug house even going on a litter pick walk with an adult and / or doing the UMA'S below.

Using the Impact-o-meter is a great way for the girls to plot their changes and actions they have made.

#### Have adventures: Exploring nature

- **Bottle mansions** – make a bug house.
- **Life cycle survival** - life cycles of butterflies – game (could use a colouring sheet- lots on line)
- **Hedgehog home** - change up to making a bird box (Same ethos, just different animal)

**Interest badges** – links could be made to **Zero waste**

## Take action: Make a Change - Stage 3

### I can change that

Are you ready to be part of a change you want to see? Explore the power you have to improve the world around you and inspired to help make positive changes.

(This is a game activity – however I think this can be moved to a discussion / change campaign and can be easily linked to **Start making a change** – encouraging the girls through art and design.

(Link to how the girls can improve their gardens for wildlife and birds) e.g., a simple way to encourage more wildlife would be to provide fresh water for them to drink. Or think about ways they can reduce waste in their homes e.g. try to eat everything on their plate – reduce food waste. Make a compost bin or make sure that all food waste goes into a recycling bin and not into landfill.

### Edible actions

In a change-making campaign, you need to make the most of your time and resources. Practise prioritising – it's an essential skill

Use the What to do section to explain to the girls the things that they need to consider when campaigning to make a change. Zoom meeting - The girls could use five fruits / raw vegetables / salad items within a glass jar or a drinking glass. This activity's props could be changed to triangles of coloured paper and so the girls make a string of bunting to represent an action that might help make your campaign successful.

Use the 5 elements / key in section 3 on the card to detail / represent the actions of the campaign. Encourage the girls to show their jars / bunting to see how different or the same they are. Discuss what you see.

### Start making a change

Your creativity can be powerful tool for change. Use it to inspire people or challenge them to see something in a whole new light

Key words to inspire change: Protect... Stop...Save... End...Support...Be - Make a poster a poster or a piece of art work to encourage others to inspired to support your change e.g. a poster encouraging everyone to help wild birds by placing a bird feeder in their garden.

### Memorable messages

Is a picture really worth a thousand words? Find out how much impact you can have using logos and slogans.

Zoom meeting/ in person meeting; Leaders to develop a quiz (on line several logo quiz's) Girls are then encouraged to see if they know what the logo means plus you can see if they know the slogan / match the slogan) The Girl Guiding logo and then slogan is a good one to start with as an example, you could then use other logos aimed at protecting plants and wildlife e.g. Woodland Trust, WWF etc.

(Possible link to Communicate stage 2 – Perfect Picture – using pictures to communicate)

### Breaking down barriers

Making positive change happen feels great, but it isn't always easy (This activity should be the final activity completed for Making change stage 3. Zoom meeting / in person meeting lead by leaders. Use card to give ideas to start the conversation. Encourage girls to discuss what changes they have been able to complete in their homes, at school or within their local community. Aim is to discuss how they overcome any difficulties to the changes they wanted or have changed.

## Easter Cookie Cutter Biscuits Recipe

### Ingredients:

### Biscuits:

- 100g unsalted butter, softened to room temperature
- 100g sugar (caster or granulated)
- 1 medium egg
- 1 tsp vanilla\* extract (or alternatively almond extract, or lemon, orange... whatever you fancy)
- 275g plain flour.

### Icing: (Or you can use icing pens, ready-made icing, or chocolate)

- 200g icing sugar
- 3-4 tbsp water
- 2-3 drops food colouring

### Equipment:

- A fork, a spoon, and a teaspoon
- Mixing bowl (for the dough) & a bowl (for the icing)
- A rolling pin
- Weighing scales
- A pallet knife or knife
- A baking tray
- Greaseproof paper
- An Easter cookie cutter e.g. egg shaped, rabbit shaped, chick shaped

### Directions:

1. Preheat oven to 190°C / 170°C fan / Gas 5. Line a baking tray with greaseproof paper.
2. Cream the butter and sugar in the mixing bowl until combined.
3. Beat in the egg and the vanilla\* extract until well-combined, then stir in the flour & bring together to form a dough.
4. Roll out the dough on a lightly floured surface using a lightly-floured rolling pin to a thickness of 1cm. Using biscuit cutters, cut biscuits out of the dough. Use the flat edge of a knife to lift them onto the baking tray.
5. Bake for 8-10 minutes until pale golden brown. Set aside to harden for 2 minutes then cool on a wire rack.

For the icing, sift the icing sugar into a large mixing bowl & stir in enough water (little by little) to create a smooth mixture. Stir in the food colouring.

Carefully spread the icing onto the biscuits using a knife, decorate with sprinkles & set aside until the icing hardens.

Dear Kathryn & Lisa,

I am emailing in regards to your upcoming trek to the Great Wall of China where you will be fundraising for Girlguiding. As you have been booked on to the trek since early November 2019, we are happy for you to continue fundraising until you are able to undertake the trek - we would hope that this would be in 2022.

Should there be any complications with this, please get in touch with me directly.

With all best wishes,  
Ellie
