

Hertfordshire Growth & Retention Working Group

Aim of the group:

Growth & Retention is about increasing the number of members in Hertfordshire. We want to work with existing volunteers to support inclusion, flexibility and embrace new ideas.

What is the role?

- To promote a positive image of Guiding
- To be creative and pro-active with regards to ways to reach more people and encourage more engagement
- Support and help to further develop the County Growth Plan
- Share tasks with the group based on availability and skills

What is the commitment?

- The group will aim to meet just three to four times a year
- Members are asked to commit to the group for just one year initially, with the option to extend by a further year at the end of each year's commitment if they wish

Join the team!

We are on the lookout for new members to join our Growth & Retention Group.

- We would like to have members from a range of volunteer roles as well as members from different areas of the county
- We are looking for people who are enthusiastic and would like to make a difference to the future of Girlguiding Hertfordshire
